Dear Sir or Madam:

Please accept this letter as formal notification of MIC820 product obsolescence. All product variants have been discontinued effective immediately. The recommended replacement is MIC860.

Although a formal last-time-buy period will not be offered for these products, Micrel will consider orders limited to depletion of residual stock subject to prior sale on a non-cancelable, non-returnable basis. No new production starts will be facilitated.

Price and delivery inquiries should be directed to your local Micrel Sales Representative or Distribution. Datasheets for these devices may be obtained at www.micrel.com.

We apologize for any inconvenience caused by this action. If you have any questions or need more information, please don't hesitate to contact your local Micrel Sales Representative, or to contact scott.brown@micrel.com or me directly at (408) 435-2408,

Sincerely,

Scott Brown
Product Marketing Manager
