

## Product End-of-Life Notification

**EOL Number: SE041701**

**Date:** April 26, 2004

---

**Product Description & Replacement:**

Atmel's AT49BV/LV/F2048A devices have reached End-of-Life. This product change applies to all speed and package options.

AT49BV/LV/F4096A devices may be used as a replacement, since they are software and footprint compatible to the ATxx2048A devices with the one exception of an additional address pin (Pin3 for the SOIC and Pin17 for the TSOP package). The additional address pin of the ATxx4096A should be tied to ground.

Contact your local Atmel representative, if you need any assistance migrating to the AT49BV/LV/F4096A products.

---

**Reason for EOL:**

These products are being discontinued due to lack of customer demand.

---

**Last Time Buy Date:** October 26, 2004

*Please note that all last time buy orders are non-cancellable and not returnable.*

---

**Last Ship Date:** April 26, 2005
