### Purpose

Provide flexibility in product marking. The family part number is marked at assembly and the full product part number is added based on demand.

### Change Schedule

Products will be marked as noted above beginning end of May.

### Method to identify parts

The date code on parts will be 0721 and greater.

### Customer Impact

The change is to the marking only so there is no customer impact.

We are confident this change will allow Mindspeed Technologies to maintain its high standards for quality and reliability. We will be managing this change very closely to ensure minimum disruption to our
